10 Gifts for Conscious Travelers

Give a gift with meaning this Christmas – an unforgettable experience where our exemplary hospitality, fine dining and wellbeing experiences will help you reconnect with your values.

Urban getaway - [Auberge Saint-Antoine](#), Canada
To find in the Gift box [CREATION n°55 : Dream destination](#)

It may be a city hotel in the old quarter of Quebec, but this auberge on the banks of the St Lawrence River still manages to run a farm-to-fork restaurant thanks to its smallholding on a nearby river island. What's more, it produces honey from its own hives as well as pesticide-free preserves and maple syrup in partnership with a local cooperative. Offering modern comforts in the heart of the Unesco World Heritage historic district, it even has mini greenhouses for romantic dining "a deux". This "Under the Stars Experience" is available until March 31st, 2022.
