Holiday Happenings in Quebec City, a Storied Winter Wonderland

Unwrap the gift of a joyous holiday and spend Christmas at **Auberge Saint-Antoine**, a luxury boutique hotel set in the heart of Old Quebec City known for its rich history and Québécois hospitality. Each year, Quebec City lights up with festive cheer as powdered snow blankets the cobble stone streets for a storied winter wonderland. Auberge Saint-Antoine welcomes guests to experience a fairytale holiday with a wide range of beloved family festivities and winter activities. Journey back in time with a private guided story telling tour through Vieux-Quebec, discover authentic European Christmas markets at the Place de l'Hotel de Ville, and enjoy ice skating at Place D'Youville or an old-fashioned toboggan ride down the Dufferin Slide. Head back to the Auberge to sip on hot cocoa and mulled wine by the fireplace, as the little ones visit Santa Claus in the lobby and enjoy holiday movie screenings in the hotel's private screening room. Christmas day dawns with a traditional holiday brunch featuring farm-to-fork bistro-cuisine at Chez Muffy on December 25 & 26 for \$55 per person. Valid for stays on December 24 and 25, *The Christmas at Auberge* package starts at \$716 per night for two in a Comfort room with a celebratory five-course Christmas dinner at Chez Muffy, and breakfast.
