## Where is Auberge Saint-Antoine?

Located in the heart of Québec City's Old Port, Auberge Saint-Antoine is as an award-winning contemporary boutique hotel. Renowned for its warm, Québécois hospitality, the family-owned Auberge Saint-Antoine is a member of Relais & Châteaux. Built on a major archaeological site, Auberge Saint-Antoine displays hundreds of artefacts from the French and British colonial regimes, all unearthed during several years of archaeological excavation. The hotel's four-diamond restaurant, Chez Muffy, is a family style farm-to-fork dining experience, with a menu featuring local innovative cuisine, and boasting savoury flavours. Quebec bistronomy is highlighted through local ingredients from the hotel's farm on Île d'Orléans and from Quebec farms and suppliers, all with a focus on short food channels.
