AUBERGE
SAINT-ANTOINE

Imagine the world's most romantic North America city as your backdrop for your union

Anchor your Québec City experience with a stay at Auberge Saint-Antoine, where our warm, convivial atmosphere greets each guest upon arrival. Throughout your stay, be treated to authentic hospitality, boutique accommodations, farm-to-fork dining, state-of-the-art event space and more, while surrounded by the old-world, yet modern charm of our historical hotel.

Steeped in rich history, our hotel is a member of Relais & Châteaux luxury hotels, providing contemporary amenities and conveniences in Québec City's historic Old Port.

Our bistronomic restaurant, Chez Muffy, features the products grown by Alexandre Faille, the gardener of the Auberge Saint-Antoine farm, located on Île d'Orleans. The cultivation of food and the development of local producers are an integral part of the dish creation process. Directed by our two Chefs, Chez Muffy offers up-to-date Quebec and French cuisine, paying close attention to detail. Panache's regulars will therefore be pleased to find the same attentive team, the know-how that has made the establishment famous, but also a quality product identical at Muffy while enjoying more the local and natural culture of food.

General Information

Rehearsal Dinner

Rehearsal dinners are a North American tradition. They are a pre-wedding ceremony in the form of a meal that is usually held the night before the big day. These dinners give the couple a chance to thank everyone involved in the wedding preparation. Our James Hunt room is ideal for this event if you are planning to hold a sit-down meal. Cocktail dinners are another excellent alternative.

Room Access

Rooms are guaranteed to be available for 4:00 p.m. and must be vacated by noon. Room availability cannot be guaranteed for earlier than 4:00 p.m. We suggest renting the room for the night before the wedding to guarantee access on the day of the wedding, so that you are able to make your finishing touches.

Next-day Brunch

We also provide a brunch service for the morning after the reception. Menus are available upon request. This service is available in our private rooms only and must be billed as a single amount.

Children

- 13 to 18 years – No meal discount provided
- 6 to 12 years –50% discount on the regular’s menu or full-price children’s menu (\$23).
- 5 years and under – Complimentary children’s menu (3 courses: soup, pasta, and dessert)

*If children eat in a separate room, they must be accompanied by adults or babysitters.

**Please let us know if you require booster seats or highchairs.

Babysitter service

Please book babysitters in advance by contacting our concierge service. A three-hour minimum is required. Cancellation fees may apply.

Food and Drinks

All food and drink must be supplied by the Auberge. You must inform your event manager of your total number of guests three working days before the wedding. This number will serve as a guarantee and may not be reduced. You will be billed for the guaranteed total, or the number of guests served, whichever is higher.

Bar Options

A variety of options are available for managing your bar tab during the reception:

- Cash bar: guests pay for their own drinks directly at the bar.
- Open bar: guests may consume as much as they wish until your bar limit is reached. For example, if you budget \$2,000 for drinks at your reception, we will ensure the amount is respected. Once it has been reached, you will be notified, and we will switch to a cash bar format.
- Coupons: you may also provide guests with coupons worth a previously determined amount, which they may exchange for drinks at the bar.

Special Deliveries

If you would like to distribute gifts to guests staying at the Auberge, our staff will distribute gift bags to each of their rooms. A delivery fee of \$5 per room applies.

Music

All music played in a private room is subject to a SOCAN (license allowing the performance of music acting for composers and authors) fee of:

\$22,06 no dancing | \$44,13\$ dancing

(This contract is governed by section 50, paragraph 8 of the Copyright Act (SOCAN))

All music played in a private room is subject to a RéSonne (not-for-profit society for the performing rights of performers and producers of sound recordings) fee of:

\$9,25 no dancing | \$18,51 dancing

Parking

Because we have a limited number of parking spaces, we must reserve them for guests staying at the hotel. We suggest asking your guests to park in the lot run by INDIGO, located in few steps from the Auberge. www.parkindigo.ca

Designated Driver Service

«Drunk driving claims the lives of some 4,000 people every year. The Tolérance Zéro program provides a simple solution for respecting the law, maintaining a clean record, and avoiding the devastating effects resulting from drunk driving. » Auberge Saint-Antoine is a proud partner of the Tolérance Zéro program, which offers designated driving services between the hours of 6:00 p.m. and 4:00 a.m.
